

Deetham Monday Eve, Dec 21.

My dear Miss Weston,

It is with pleasure, that I learn from Mr. Quincy, that your preparations are going on well for the Fair, the labour I know must be immense in a new place, and so large a one, as Faneuil Hall, but I trust it will richly repay you for the extra exertion, - do be careful of your health - I know that I am encroaching upon your time to trouble you with one word, but I must assure you that I shall be with you in spirit, and feel for you with your tremendous load of care, - any little occurrence that would be interesting to me as you are passing my sisters perhaps it in their ears - they will write me every day - Can I do any thing for you here? Hope to see you before you return to New Bedford, I remain Yours with much affection, Catherine H. Spear
